MA/MEd in TESOL and Applied Linguistics

Do you want to develop yourself as an English language teaching professional?

Do you want to improve your career prospects in teaching, management and administration?

Do you want to develop your research interests in the field of TESOL and Applied Linguistics?

The course at the University of Bradford will enable you to do all these things in a supportive and friendly environment. Our knowledgeable and experienced tutors will work with you to help you achieve your full potential and during the course you will:

- Develop your own philosophy of teaching underpinned by an in-depth understanding of theories of second language acquisition and teaching methodologies
- Study a variety of topics essential to TESOL and Applied Linguistics and relate theory to practice
- Fully explore areas of particular interest to you under the guidance of expert tutors
- Develop high-level subject knowledge and critical and analytical problem-solving skills enabling you to address complex and key issues at a strategic level
- Improve and perfect your communication skills in English through cultural exchange, self-study, in-class debate and via social learning opportunities available in our Learning Resources Centre. www.bradford.ac.uk/sled/what-we-do/university-language-centre/
